

GED EXAM PREP

Courses in this category are designed help learners identify gaps and focus on areas of weakness in preparation for the international recognized GED® exam.

GED has four distinct sections—math, science, social studies, and reading through language arts—each represented with a separate course.

Each course includes exam-taking tips, a diagnostic test/full-length practice exam, practice questions at the end of each module, and a second full-length practice exam.

Each self-paced course offers an assortment of assignments, games and flashcards.

Course List:

- ▶ GED® Exam Prep: Mathematical Reasoning
- ▶ GED® Exam Prep: Reasoning Through Language Arts (RLA)
- ▶ GED® Exam Prep: Science
- ▶ GED® Exam Prep: Social Studies
